## **iCAMEO**

### **Intro to Computer Assisted Management Emergency Operations**

**November 18-20 2011**

Lexington Fire Department Training Academy  
1375 Old Frankfort Pike  
Lexington, KY 40508  
POC Maj. Gregg M. Bayer (859) 231-5623

#### **Course Description:**

This is an interactive course designed to prepare emergency responders to instruct and/or understand the CAMEO suite of computer programs. The course provides an overview of the fundamental elements of the CAMEO suite of programs as they apply to WMD threats. It includes detailed information as well as hands-on practice of critical elements of the CAMEO system and its associated programs (ALOHA, MARPLOT, LandView, and Tier II Submit).

To better understand how the programs interface, participants are provided opportunities to practice key CAMEO procedures that allow users to enhance planning and response activities associated with WMD threats. These exercises clarify the connections between the programs and how they can enhance emergency planning and response to WMD hazards activities. The course will prepare individuals representing state and local emergency response agencies to conduct CAMEO WMD workshops for those involved in WMD emergency planning or response at the state or local level.

This Course is sponsored through a partnership through *Kentucky Homeland Security, NCBRT/LSU and Kentucky Division of Emergency Management.*

#### **Student Criteria:**

This course is open to all Emergency Management, Rescue, Fire, Emergency Medical, and Law Enforcement personnel.

#### **Special Notes:**

Advance student registration is REQUIRED and must be received by November 4, 2011 in order to participate in this course. MAXIMUM # of student seats available is 24. You are considered accepted as a student in this class upon receipt of your application by this office. You will receive an email confirmation after registration.

#### **Registration:**

[Click here for Registration](http://kyem.ky.gov/training) or register via the KYEM website: <http://kyem.ky.gov/training>

Students will be notified if the course is cancelled. For this reason, it is imperative that you provide accurate contact information.
